REIKI LEVEL ONE

Saturday, August 29 9am-5pm

Receive in-depth instruction into the Japanese tradition of energy healing. Learn the history and tradition behind this beautiful spiritual practice to enrich your life. With level one, you will receive a healing attunement, and learn a routine for self healing as well as how to use Reiki energy on your, loved ones, pets, and clients. Then you will practice giving and receiving Reiki energy with guided support.

REIKI LEVEL TWO

Sunday, August 30th 9am-5pm

Build on the foundations created in Reiki level one, then take it a step further with level two. Receive a second healing attunement, learn how to clear homes, spaces, and objects, and send Reiki over long distances as well as to the past and future! At level two, the possibilities to use Reiki expand greatly!

Join us for an optional Fire Ceremony.

Work with the transformation energy of fire to set intentions for the weekend, release what is ready to go, connect with the land, and enjoy community.

DETAILS AND A FEW F.A.Q.S

What COVID-19 precautions will be in place?

All precautions recommended by Montana and Billings will be followed. While these regulations and recommendations may change prior to the class, below are the expected precautions. Portions of the class will be taught outside in the fresh air, and as long as six feet of distance can be maintained masks will be optional when outside. When the class moves inside, masks will be required, as in line with CDC, state, and county recommendations. Strict cleaning protocols will be followed, as well as symptom checks for all of those in attendance. Any portions of the class when six feet of distance cannot be maintained will require masks to be worn properly. These precautions are not intended to increase the fear surrounding COVID-19, rather they are an opportunity to create a safe space for everyone to attend. Portions of the class will include a Reiki energy practice session with others, which will require closer contact. Should you have questions or concerns, please reach out to Amanda directly, there are some options available!

How do I register for the class?

Please register by visiting www.featherlighthousehealing.com/reiki-training, and click on the registration link. You will be required to pay a \$100 deposit in order to reserve your spot for the class, and fill in some basic information. The deposit is non-refundable, unless the class is cancelled by Amanda.

What is the cost?

The full cost of level one and level two training is \$300. A deposit of \$100 is required to register, and the remaining \$200 may be paid in person or via online payment during the day of the class. This includes the class time, handouts, and certificate. You may choose to purchase the optional recommended books individually.

What should I bring with me?

Please make sure to bring a mask, pen and paper to take notes, water bottle, and a light lunch and/or snacks to eat through out the day. We will be outside part of the day, so sun screen and a hat and layers are a good idea. Please wear clothing that is easy to move in!

How should I prepare?

Receiving a Reiki attunement is a healing in itself, and we will also be practicing Reiki on ourselves and others. To prepare for this energetic upgrade, please do not use recreational drugs or drink alcohol a minimum of 24 hours prior to the class. It's also a wonderful opportunity to eat healthy a few days ahead of time! Please be gentle with yourself and your body as you integrate the energies and give yourself time to rest in the evenings after class.

How do I book a private session with you?

To book a private session with me, please contact me directly or visit www.featherlighthearling.com. Most of my services are offered online via video conferencing, though I will have some in-person availability in the days before or just after the intensive.

What if I only want to take level one and not level two?

While I honor that you may not feel ready for level two, my intention in the intensive is to teach both, and preference will be given to students who enroll in both days. If there is still space in the class, I will consider enrolling you in just the Saturday level one class. Alternately, if there's enough interest, I may run a separate class later in the week just for level one, so contact Amanda directly if this is something you're interested in!
